## IV. Display Charts: Rankings by State for Various USF Funding Amounts

## **Display Charts**

This section has printouts of the sheets from the file TIAPDISP.XLS. These pages rank the states by the amount paid to the USF and by the balance of who pays and who receives money.

|                                            | TOTAL                       |
|--------------------------------------------|-----------------------------|
|                                            | REVENUES                    |
